The Form I-526E Immigrant Petition by Regional Center Investor has been approved for one or more visa classifications.

The U.S. Department of State *Visa Bulletin* determines visa availability for individuals waiting to file for an employment-based immigrant visa. The *Visa Bulletin* indicates when statutorily limited visas are available to prospective immigrants based on their individual priority date.

We will send your approved visa petition to the **Department of State National Visa Center (NVC).** The NVC processes all approved immigrant visa petitions that require consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The Department of State will contact you with further information about immigrant visa processing steps. **If you are eligible for more than one visa classification, you will be required to identify which visa classification you will seek to obtain before proceeding with immigrant visa processing.** You can review frequently asked questions about NVC processing time at https://nvc.state.gov/timeframes.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS NOTICE IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The Small Business Regulatory Enforcement and Fairness Act established the Office of the National Ombudsman (ONO) at the Small Business Administration.
