The Form I-526E Immigrant Petition by Regional Center Investor has been approved for one or more visa classifications.

The U.S. Department of State *Visa Bulletin* determines visa availability for individuals waiting to file for employment-based adjustment of status or to have their pending application for adjustment of status processed. This *Visa Bulletin* indicates when statutorily limited visas are available to prospective immigrants based on their individual priority date.

The petition does not indicate whether you will apply for adjustment of status to that of a lawful permanent resident or will apply for an immigrant visa abroad at a U.S. Embassy or a U.S. Consulate. Therefore, USCIS has retained this petition.

If you intend to apply for adjustment of status, you should submit a copy of this notice, along with a Form I-485, Application to Register Permanent Residence or Adjust Status, if you have not already filed a Form I-485 concurrently with or subsequent to the filing of your petition for classification. **If you are eligible for more than one visa classification, you will be required to identify the visa classification on which you will seek to adjust.** You can obtain Form I-485 from the USCIS website at www.uscis.gov, by contacting the USCIS National Customer Service Center (NCSC) at 1-800-375-5283, or by visiting the local USCIS field office. Filing address information can be found on the USCIS website at www.uscis.gov.

If you decide to apply for an immigrant visa outside the United States based on this petition, you should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the U.S. Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate. **If you are eligible for more than one visa classification, you will be required to identify which visa classification you will seek to obtain before proceeding with immigrant visa processing.**

The NVC will contact you with further information about immigrant visa processing steps.

THIS NOTICE IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The Small Business Regulatory Enforcement and Fairness Act established the Office of the National Ombudsman (ONO) at the Small Business Administration. The ONO assists small businesses with issues related to federal regulations. If you are a small business with a comment or complaint about regulatory enforcement, you may contact the ONO at www.sba.gov/ombudsman or phone 202-205-2417 or fax 202-481-5719.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

NOTICE: Although this application or petition has been approved, USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
